Black and Indian Mission Collection

Today, we will take up the annual Black and Indian Mission Collection. This Collection exists to help diocesan communities build the Church and preach the Gospel of Jesus among the African American, Native American, and Alaska Native people of God. Your donations help fund parish-based catechetical programs, support teacher and catechists professional development, encourage vocations to the priesthood and religious life, and create diocesan structures, such as our own Archdiocesan Office of Multicultural Ministry, that support ministry and evangelization in these diverse communities. Please be generous!

**Prayer Intention
for the Week**

For one another: that the prayer, fasting and almsgiving of Lent may bring forth a new springtime of faith in our lives

First Sunday of Lent

“Then Jesus was led by the Spirit into the desert to be tempted by the devil. He fasted for forty days and forty nights, and afterwards he was hungry.

Matthew 4:1-2

By fasting, Jesus emptied himself of worldly concerns and the temptations they bring. We encounter temptations on a daily basis. By emptying ourselves of world concerns, we are able to see the simple gifts God places around us and find them fulfilling beyond any material desires.

Encounter Innovation

CRS Rice Bowl is Catholic Relief Services' Lenten faith-in-action program. It offers daily opportunities for your family to engage in the spiritual pillars of Lent: prayer, fasting and almsgiving. And it's an opportunity for our parishes to come together as a community and reflect on what it means to live out the Gospel call to go to the margins and encounter those most in need. This week we encounter the Singh family in India, where a mother and father are using innovative farming techniques to feed their family amidst a flood. How is God inviting us to think outside the box in service to others this Lent? Visit crsricebowl.org for more.
