Forever Homes Needed

There has been an increase of children entering the foster care system in Kentucky and there has been an increase in Meade and Breckinridge Counties as well. Nearly 7,000 children are in foster care in Kentucky. Last year, more than 700 children in foster care were adopted, and more than 80 percent of those were adopted by their foster families. In our region, almost 200 foster children have the goal of adoption. Will you be a forever family for one of Kentucky's waiting kids? Please call Jennifer Barr, Recruitment and Certification for the Cabinet for Health and Family Services of Meade, Breckinridge and Hardin Counties at 270-756-2194.
