Thirteenth Sunday in Ordinary Time

"...according to what one has, not according to what one does not have; not that others should have relief while you are burdened, but that as a matter of equality your surplus at the present time should supply their needs, so that their surplus may also supply your needs..."

2 Corinthians 8:12-14

Stewardship is about seeking a balance in one's life. Stewardship recognizes that we are to share our blessings in a loving and just way in proportion to the manner in which we have been blessed.
